Asunto: ISSF World Cup Munich and Junior World Championship Suhl 2020 cancelled

Dear Sir or Madam, dear Friends,

in light of the Covid-19 pandemic, the Organizing Committee of the German Shooting Sport Federation, along with the ISSF and the responsible authorities in Munich and Suhl, are forced to cancel this year`s ISSF World Cup Munich from 02-09 June as well as the ISSF Junior World Championship Suhl from 11-19 July 2020. We are all facing the current impact of the pandemic and as a result, the organisation of the World Cup and the Junior World Championship has become impossible.

Having already investigated all options to reschedule the two ISSF championships in the year 2020 - considering the possible time frames and the availability of key facilities and resources - we moreover had to decide that conduction later in 2020 is also not feasible.

We know that the cancelation of the two ISSF championships in Germany and other international shooting sport activities, but of course especially the postponement of the Tokyo 2020 Olympic Games, are disappointing news to the whole International Shooting Sport Family, and to all of those involved in the planning and delivery. However, the safety and wellbeing of all athletes, officials, volunteers and staff has to be paramount. Of course, we will contact all federations individually that already have made their payments to resolve all matters.

We are very appreciative of the continued support of those who have been involved in the World Cup Munich and the Junior World Cup or WCH in the past years, and we remain committed to the delivery of international shooting sport events in the future.

Wishing you and your beloved ones all the best, especially good health and safety, we are already looking forward to seeing you all again soon.

Kind regards
